JG - STUDENT DISCIPLINE

I. PHILOSOPHY OF DISCIPLINE
Every student is entitled to an education which shall be offered in an orderly, healthy atmosphere, both physical and emotional, and to firm, fair treatment in all matters pertaining to school life.

Every child shall comply with all rules and regulations of both the state and the Caddo Parish School Board having to do with student behavior. In a democracy there exist many privileges and freedoms, all of which are dependent on observance of certain rules and regulations. It should be made very clear that any student, by his own failure to comply with school regulations, may lose his right to a public education.

Each teacher in Caddo Parish is responsible for providing an environment that will bring about effective learning, thus enabling each student to achieve his maximum potential.

The home shares responsibility in the education of youth, and the attitude of the home toward school is reflected by the student.

II. DEFINITION OF DISCIPLINE
Discipline is a standard of behavior, which is demonstrated by appropriate conduct in all situations. Any student whose behavior is not conducive to a viable learning environment shall be subjected to disciplinary action in accordance with the policies, methods, and procedures hereinafter set forth.

III. DEFINITION OF DISCIPLINARY ACTION
Disciplinary action is the method and process whereby appropriate and acceptable standards of conduct and order are maintained. It involves the acts of correcting, restricting, withholding of privileges and the administration of other penalties and punishments commensurate to the particular infraction of rules and/or regulations.

12. Respect and support school rules.

Unauthorized Visitors on Campus

Only those persons who have presented themselves to the school office and who have received approval of the principal or his designee to visit may be considered authorized. A search by use of a metal detector or by the principal or designee(s) may be conducted on reasonable suspicion.

School Bus Conduct

Students must conduct themselves in a manner that promotes safety and follow rules of the Transportation Department whether riding the bus to and from their home or school sponsored activities. The principal may suspend from school or suspend from riding the bus any student who commits any infraction set forth in R.S.17:416 utilizing the same procedures applicable to suspension and expulsion from school. School personnel must review the rules for riding school buses with all students at the beginning of each semester (Bulletin 1191).

Safety Instructions and Behavior Rules for School Bus Riders

School bus transportation is a PRIVILEGE. The safety and welfare of student riders depends on proper behavior and observance of the following rules and regulations. Any pupil who violates any of these rules will be reported to the proper authority and his/her privilege of transportation may be denied. These rules apply to STUDENT ACTIVITY TRIPS as well as regular bus routes to and from school.

12. DO NOT bring live animals, reptiles, insects, etc. on the bus.

A third referral from the same class requires that a principal and teacher confer before disciplinary action is imposed as provided by R.S. 17:416.

Alternatives to Suspension or Expulsion Programs

Since academic achievement is associated with the amount of instructional time received by the student, the utilization of alternatives to suspension or expulsion is encouraged. Alternatives which may be used include the following: communication with parents, referral for counseling services, behavioral contracts, detention centers, using a team approach, corporal punishment (elementary and middle school), in-school suspensions, the time-out room, supervised work assignments and placement in approved alternative educational programs.
VII. PROCEDURAL POLICIES FOR DISCIPLINE CASES

Hearing by Principal

1. An informal hearing shall be conducted by the principal or designee prior to the suspension of any student unless the student’s presence in the school endangers persons or property or threatens disruption of the academic process. The principal shall be authorized to have the student immediately removed from the school. When necessary to determine responsibility for alleged misconduct, the principal or designee may suspend a student from school for a period of three (3) days pending an investigation. If the investigation determines that the student is not responsible for the misconduct, the suspension is rescinded.

2. The informal hearing between the principal or designee and the student shall take place immediately.

3. The school principal or designee shall advise the student in question of the particular misconduct of which the student is accused, as well as the basis for such accusation. The student shall be given the opportunity to explain his/her version of the facts. The principal or designee will call witnesses requested by the student. Witnesses are not required to be sworn in, and the proceedings shall be conducted informally, but subject to the control and direction of the principal or designee. The principal or designee should make every reasonable effort to reach a fair determination of the issue.

4. If the principal imposes a suspension of nine days or less, or a disciplinary action other than a recommendation for expulsion, no further hearing shall be required. The student is advised and provided with the enrollment form to attend the Short-Term Suspension Center during the suspension. A student must have a hearing with the superintendent or designee if recommendation is for ten (10) days or more.

5. Telephone contact shall be made or a certified letter sent to the parents or guardian responsible for the student when suspended or expelled. Following the suspension, a conference with the parents is required to consider readmission. The principal may allow a student to return without a parent conference if it is determined that readmitting the student is in the best interest of the student. A parent or guardian who willfully refuses to attend a conference, meeting or hearing regarding a student’s behavior shall be referred to a court exercising juvenile jurisdiction pursuant to Children’s Code Article 730 (8) and 731. Exception to these guidelines can be made where a student’s continued presence poses a significant threat to the welfare of others or to the educational atmosphere of the school.

6. In the event the suspension is for damages to property owned by the school system or property contracted by the school system, the notice shall advise the parent or guardian that the student will not be readmitted until payment in full has been made for such damage or until directed by the superintendent.

NOTE: The designee shall inform the principal of each instance of removal of a student from the school.
7. Student with disabilities. The Individuals with Disabilities Education Act of 2004 (IDEA '04) clarifies the authority of school officials to take disciplinary action, including ordering a change in a student’s placement to an appropriate interim alternative educational setting, another setting, or suspension. This section contains requirements regarding the discipline of students with disabilities. All behavior incidents involving students with disabilities must be addressed using only the requirements of IDEA '04. (See also Discipline Continuum Checklist contained in Caddo Parish Discipline Resource Manual for Teachers and Administrators).

A. Change in Placement. A change in placement occurs if a student with a disability is removed (suspended/expelled) from the student’s current placement for more than ten (10) consecutive school days and/or if a student is subjected to a series of removals that constitute a pattern, which cumulate to more than ten (10) school days in a school year. In school suspensions (ISS) shall not be counted in this ten (10) days if Free Appropriate Public Education (FAPE) is provided.

B. Authority of School Personnel. To the extent removal (suspension/expulsion) would be applied to children without disabilities, a school official may:

i. Remove a student with disabilities to an appropriate interim alternative educational setting, another setting or suspension for not more than ten (10) consecutive school days for any violation of school rules.

ii. Special Circumstances. Order a change in placement of a student with disabilities to an appropriate interim alternative educational setting for the same amount of time that a student without a disability would be subject to discipline, but for not more than forty-five (45) days if the student carries a weapon to school or to a school function; knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school or a school function; or has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of a State or local educational agency.

(a) The terms “weapon,” “illegal drugs,” and “controlled substance” are defined in Louisiana Bulletin 1706, Section 519; serious bodily injury is defined as bodily injury which involves a substantial risk of death, extreme physical pain, protracted and obvious disfigurement or protracted loss or impairment of the function of a bodily member, organ, or mental faculty.

(b) If the removal is for more than ten (10) consecutive days or if the student is subjected to a series of removals that constitutes a pattern, which cumulates to more than ten (10) school days in a school year, only the IEP team has the authority to determine the interim alternative educational setting which must be selected so as to enable the student to continue to progress in the general curriculum and to continue to receive the services and modifications, including those described in the student’s current IEP, that will enable the student to meet the goals set out in the IEP.
(c) The interim alternative educational setting must also include services and modifications designed to address the behavior and prevent the behavior from recurring. Before sending a student to an education placement, which would be considered a more restrictive setting, the IEP team must complete a re-evaluation.

(d) Free Appropriate Public Education (FAPE) must be provided which includes: access to the general education curriculum; implementation of the student’s current IEP; and access to IOWA/LEAP 21/GEE preparation and remediation.

C. IEP Team Involvement. If a suspension exceeds ten (10) consecutive or cumulative school days, it will be considered to be a change of placement and the LEA must schedule an IEP team meeting immediately. The following procedural safeguards must be met:

i. A Manifestation Determination Review (MDR) must be conducted to determine if the behavior subject to disciplinary action is a manifestation of the student’s disability.

ii. A Functional Behavioral Assessment must be conducted to determine why the behavior occurred.

iii. A decision regarding the provision of FAPE must be made and the student must be provided services set up by the IEP team so that IEP goals can be reached.

iv. A Behavioral Intervention Plan must be developed. If a behavior plan currently exists, the IEP team must review and revise the behavior plan to address the behavior violation so that it does not recur. Those revisions must include strategies, supports, and other instructional programming to address the behavior.

D. Manifestation Determination Review (MDR). The manifestation review process is required whenever an action involving a removal of a student with disabilities from his or her current placement is being contemplated due to a violation of the code of student conduct.

The local educational agency, the parent, and relevant members of the IEP Team (as determined by the parent and the local educational agency) shall immediately review all relevant information in the student’s file, including the child’s IEP, any teacher observations, and any relevant information provided by the parents to determine -

(I) if the conduct in question was caused by, or had a direct and substantial relationship to, the child’s disability; or

(II) if the conduct in question was the direct result of the local educational agency’s failure to implement the IEP.
If the local educational agency, the parent, and relevant members of the IEP Team determine that either subclause (I) or (II) above is applicable for the child, the conduct shall be determined to be a manifestation of the child’s disability. With the exception of the special circumstances described in paragraph B ii above, if it is determined that the conduct was a manifestation of the child’s disability, the child shall be returned to the placement from which he was removed, unless the parent and the local educational agency agree to a change of placement as part of the modification of the behavioral intervention plan.

E. Notifications. Not later than the date on which the decision to take disciplinary action is made, the LEA shall notify the parents of that decision, and of all procedural safeguards.

F. Appeal Process

1. The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination under this subsection, or a local educational agency that believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request a hearing.

2. A state hearing officer shall hear, and make a determination regarding, an appeal requested under subparagraph 7 F(1) above. The hearing officer may order a change in placement of a child with a disability. In such situations, the hearing officer may –
   (a) return a child with a disability to the placement from which the child was removed; or
   (b) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

3. When an appeal has been requested by either the parent or the local educational agency –
   (a) the child shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period imposed as discipline, whichever occurs first, unless the parent and the State or local educational agency agree otherwise; and
   (b) the State or local educational agency shall arrange for an expedited hearing, which shall occur within 20 school days of the date the hearing is requested and shall result in a determination within 10 school days after the hearing.

G. Protections for Children who have not been determined to be eligible for special education and related services. A child who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated any rule or code of conduct of the local educational agency may assert any of the
protections provided for in IDEA if the LEA had knowledge (as determined in accordance with Paragraph (a) of this section) that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred.

(a) Basis of knowledge. An LEA shall be deemed to have knowledge that a child is a child with a disability if before the behavior that precipitated the disciplinary action occurred

(i) the parent of the child has expressed concern in writing to supervisory or administrative personnel of the appropriate educational agency, or a teacher of the child, that the child is in need of special education and related services;
(ii) the parent of the child has requested an evaluation of the child; or
(iii) the teacher of the child, or other personnel of the local educational agency, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education of such agency or to other supervisory personnel of the agency

(b) Exception
A local educational agency shall not be deemed to have knowledge that the child is a child with a disability if the parent of the child has not allowed an evaluation of the child or has refused services under IDEA or the child has been evaluated and it was determined that the child was not a child with a disability who engaged in comparable behavior.

(c) Conditions that apply if no basis of knowledge
If a local educational agency does not have knowledge that a child is a child with a disability prior to taking disciplinary measures against the child, the child may be subjected to disciplinary measures applied to children without disabilities who engaged in comparable behaviors.

(i) Limitations
If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under this subsection, the evaluation shall be conducted in an expedited manner. If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency shall provide special education and related services except that, pending the results of the evaluation, the child shall remain in the educational placement determined by school authorities.

I. Reporting Criminal Activity. Nothing in this policy shall prohibit school officials from reporting a crime committed by a student with a disability to appropriate law enforcement authority. School officials shall ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to whom the agency reports the crime.
Appeal from Order of Disciplinary Action

Individuals who feel that their rights may have been violated are provided the following appeal procedure.

1. The student, parents or other person responsible for the student shall first attempt to resolve the matter with the teacher or other school personnel responsible for imposing the disciplinary action. If not resolved with that person, an appeal to the principal shall be made.

2. In the event the matter is not resolved at the individual school level, the student, the parents or the party responsible for the student shall have the right to appeal the disciplinary action to the superintendent’s designee.

3. The superintendent’s designee shall conduct a hearing on the merits of the case under appeal. Upon the conclusion of the preliminary hearing, the superintendent’s designee shall determine whether the suspension or disciplinary action should be remitted or amended in any manner or if another corrective or disciplinary action shall be taken.

4. If the decision of the superintendent’s designee results in disciplinary action other than a suspension of nine days or less, then the student, the parents, or tutor may, within five days after the decision is rendered, request the Caddo Parish School Board to review the findings of the superintendent or designee at a time to be set by the school board; otherwise the decision of the superintendent or designee shall be final.

Expulsion

1. Any student after being suspended for committing any of the offenses cited in R.S. 17:416 may be expelled, upon recommendation by the principal of the public school in which said student is enrolled. The principal shall immediately suspend a student who is found carrying or possessing a firearm, a knife the blade of which equals or exceeds two inches in length, or another dangerous instrumentality, or who possesses, distributes, sells, gives, or loans any controlled dangerous substance governed by the Uniform Controlled Dangerous Substances Law, in any form. The principal shall immediately recommend the student for expulsion.

2. Any student who is suspended three times for an infraction shall be recommended for expulsion if a fourth suspension occurs during the same school year.

Hearing by Superintendent or Designee

1. A hearing by the superintendent or designee shall be conducted by request of school administration for all recommendations for alternative school placement or expulsion.

2. A hearing shall be conducted by the superintendent or designee within five school days from the date the student is given notice of the recommendation of expulsion (or suspension of ten days or more made by the principal).

3. The student shall be afforded the opportunity to know the charges, be given the opportunity to defend his/her actions, and be permitted to question and present evidence. The student must be accompanied by parent or guardian and may be represented by an attorney or any other persons of the student’s choice.
4. The principal and/or teacher may be represented by a person appointed by the superintendent.

5. Until the hearing takes place, the student shall remain suspended from school and all Caddo Parish School Board related school activities.

6. A hearing shall be held for special needs students when misconduct is not a manifestation of the student’s disability. The relevant disciplinary procedures applicable to students without disabilities may be applied in the same manner, except that a Free Appropriate Public Education (FAPE) must be provided.

7. Upon conclusion of the hearing, the superintendent or designee shall determine whether such student shall be expelled or if other corrective or disciplinary action shall be taken.

8. Records shall be maintained and made available upon request.

Appeal from Order of Expulsion

1. The parent or guardian may within five days after the decision request the Caddo Parish School Board to review the findings of the superintendent or designee.

2. The time for the hearing shall be set by the Caddo Parish School Board.

3. The school board may affirm, modify or reverse the action previously taken.

4. The testimony may be transcribed at one’s cost.

5. If the Caddo Parish School Board affirms the action of the superintendent or designee, the parent or guardian may within ten days appeal the decision to the First Judicial Court for Caddo Parish.

Direct Expulsion by the School Board

Any student convicted of a felony or who is incarcerated in a juvenile institution for an act which if committed by an adult would have constituted a felony may be expelled by the Caddo Parish School Board for a period of time as it may determine, provided any such expulsion shall require the vote of two-thirds of the elected members of the school board. A student committing such an act inside this state or outside may be sufficient cause for the superintendent to refuse admission to any school except upon review and approval of the majority of the elected members of the school board when a request for admission is made to the board.

Other Actions-Suspension of Student’s Drivers License

The principal shall notify the Department of Public Safety and Corrections, Office of Motor Vehicles, of any student between the ages of fourteen and eighteen who has been disciplined by suspension or expulsion from school or assigned to an alternative educational setting for ten or more consecutive days for any of the following infractions:
1. Sale or possession of drugs, alcohol, or any other illegal substance;
2. The possession of a firearm; or
3. An infraction involving assault or battery on a member of the school faculty or staff.

The principal shall complete and send Form JG-F no later than 30 days after the disciplinary action has become final and all delays for appeals have passed.

VIII. SCHOOL ATTENDANCE AND THE LAW

The Compulsory School Attendance Law (R.S. 17:221) is designed to protect and guarantee the rights of children to take advantage of educational opportunities provided by the State of Louisiana. The basic responsibility for regular attendance is assigned by law to the parents of the child. The school board is keenly aware that it shares with parents or guardians this responsibility. The school board recognizes that each day's absence interrupts the learning process and results in delays and deficiencies in the child's attainment of skills and knowledge. (R.S. 17:221 requires that children attend school each day scheduled by the school system.)

Exemptions

The following exemptions from school attendance, in accordance with R.S. 17:226, State of Louisiana are:

1. Children mentally, physically or emotionally incapacitated to perform school duties
2. Children temporarily excused for personal illness, serious illness in the family substantiated by a parish supervisor of child welfare and attendance or a certificate from a practicing physician, death in the immediate family, and certain recognized religious holidays
3. Children exempt by statute

Attendance Policy in Elementary and Middle Schools

1. Students must be present a minimum of 160 days per school year to be eligible for promotion. Exceptions can be made when substantiated by a practicing physician in the event of temporary or extended personal illness and serious illness in the family. Other exceptions are death in the immediate family, with appropriate verification, children whose religious faith requires absence for the observance of recognized holidays of the child’s own faith, natural catastrophe and/or disaster, attending school selected or approved activities or other extenuating circumstances approved by the parish supervisor of child welfare and attendance in consultation with the principal. The student shall present an excuse in writing within two school days after returning. Days suspended shall be considered unexcused. For any other extenuating circumstances, parents shall have the right to appeal the denial of promotion to the Attendance Appeal Committee.
2. The principal or his designee shall contact parents to ascertain reasons for absences and confer with them on the importance of school attendance. When a student returns to school after an excused absence, he has three days or a number of days equal
to the number of days of consecutive absences, whichever is greater, following return to class to make up work. Make-up work shall be permitted only when written excuses from parent(s) or guardian(s) have been received in accordance with this policy.

Attendance Policy In High School

1. Secondary students must be present a minimum of eighty days per semester to be eligible to receive credit for the courses taken. Exceptions can be made when substantiated by a practicing physician in the event of temporary or extended personal illness and serious illness in the family. Other exceptions are death in the immediate family, with appropriate verification, children whose religious faith requires absence for the observance of recognized holidays of the child’s own faith, natural catastrophe and/or disaster, attending school selected or approved activities or other extenuating circumstances approved by the parish supervisor of child welfare and attendance in consultation with the principal. The student shall present his excuse in writing within two days after returning. Days suspended shall be considered unexcused. For any other extenuating circumstances, parents shall have the right to appeal to the Attendance Appeal Committee.

2. Based on state and local policies, the student shall accept responsibility for absences. When a student returns to school after an excused absence, the student has three days or a number of days equal to the number of days of consecutive absences, whichever is greater, following the return to class to make up work. Make-up work shall be permitted only when written excuses from parent(s) or guardian(s) have been received in accordance with this policy.

IX. TARDINESS TO SCHOOL
