

Ways to Motivate your Child to Learn

Fill your child's world with reading

- ❖ Take time reading with your children
- ❖ Establish a family reading time
- ❖ Allow each child to read their own books

Encourage your child to express his/her opinions

- ❖ Talk about their feelings
- ❖ Learn to make wise choices

Show enthusiasm for your child's interests

- ❖ Encourage your child to explore subjects that fascinates the mind
- ❖ Reward your child for doing a good job

Be Inspiring

- ❖ Encourage them to reach their individual potential
- ❖ Assure your child that they are capable of achieving academic success
- ❖ Rewards do not have to be tangible, celebrate minor and major achievements

Just a note: Children are the leaders of tomorrow. We need to keep them encouraged and motivated to learn. Education and knowledge are the keys to SUCCESS
