

Sportsmanship Commitment

The Caddo Parish Public School District believes good sportsmanship is an important part of athletic competition. In order for good sportsmanship to succeed, coaches, student-athletes, and fans must display respect, fairness, honesty and responsibility before, during and after all athletic contests.

We encourage fans to support their team, recognize outstanding performance of their opponents, and always exhibit good sportsmanship in their words and actions.

Our expectations are that profanity and intimidating words or actions directed at the officials, student-athletes, coaches, team representative, or other spectators will not be accepted and are grounds for removal from an athletic site without a refund.
