JUST FOR PARENTS:  
FREQUENTLY ASKED QUESTIONS

HOW DO I SIGN UP?  
Your child will bring an enrollment form home. Enrollment forms will also be available at your school's office and will be downloadable from our website.

HOW OFTEN WILL YOU COME TO MY CHILD'S SCHOOL?  
Miles for Smiles will visit your child's school at least twice a year. We will be available as often as needed to ensure that our patients receive complete treatment.

HOW DO I MAKE AN APPOINTMENT?  
After enrolling, parents/guardians will be contacted by Miles for Smiles to schedule appointments.

CAN I ATTEND THE VISIT WITH MY CHILD?  
Yes. Parents/guardians are welcomed to wait in the designated area outside the Miles for Smiles mobile dental unit. Part of the advantage of mobile dentistry is that we come to your child's school. You don't have to take time away from work to take your child to the dentist. Our team is trained to handle the wide-range of issues associated with kids' dental health. We provide a fun and relaxing atmosphere so that children enjoy their visit with the dentist.

After each visit, we keep you informed by sending home a detailed summary of what procedures were done and any post-operative instructions. We'll also let you know what will be done at the next visit (if required).

DO YOU ACCEPT INSURANCE?  
Yes! We accept all forms of dental insurance.

HOW WILL MY CHILD KNOW WHEN TO GO TO THE MOBILE DENTAL UNIT?  
A representative from the school or Miles for Smiles will escort each child or group of classmates to and from the Miles for Smiles mobile dental unit.
